**OFFICE MEMORANDUM**

**Sub: Application for seeking prior environmental clearance for the projects / activities given in the schedule of EIA Notification, 2006 regarding.**

The Environmental Impact Assessment (EIA) Notification, 2006 under the Environment (Protection) Act, 1986 mandates the requirement of prior environmental clearance for the projects / activities listed in the schedule to the said Notification. To facilitate the same, the EIA Notification, 2006 read with subsequent amendments, provides for submission of project details in the prescribed Forms (1/1M/1A) seeking Terms of Reference (ToRs) / Environmental Clearance (EC), as applicable, for certain category of projects.

2.0 The Project Proponents (PPs) are required to submit their proposals for ToR/ECs, on the portal of this Ministry/State level Environment Impact Committee (SEIAA), in different forms prescribed, as applicable. However, it has been observed that in cases where the Forms were not prescribed for seeking prior EC, the proposals are incomplete and lack clarity.

3. The matter has been examined in the Ministry, and in order to streamline the process of environmental clearances, it has been decided to follow the procedure as under:

- a. An application seeking Terms of Reference for preparation of an EIA Report in all the cases, as applicable, shall be made by the project proponent in the prescribed Form-1, as given in Appendix II after identification of prospective site(s) for the project and/or activities to which the application relates. The project proponent shall furnish a copy of the pre-feasibility report for the project along with the application in Form-1.
- b. An application seeking prior environmental clearance for the projects/activities listed in the schedule to the EIA Notification, 2006, henceforth, shall be made by the project proponent before commencing any construction activity, or preparation of land, or mining at the site, as given below:
  - i. For building/construction projects (item 8 of the Schedule), in the prescribed Form-1 given in Appendix I, along with Supplementary Form 1A as given in Appendix II, as prescribed in EIA Notification, 2006 and a copy of the detailed conceptual plan;

- ii. For mining projects of minor minerals up to five hectares under Category 'B2' - In the prescribed Form-1M given in Appendix VIII, as prescribed in EIA Notification, 2006 along with a copy of Feasibility Report and the District Survey Report;
- iii. For all other projects - In the prescribed Form-2 enclosed with this OM along with copy of EIA/EMP report as per the generic structure given at Appendix-III of the EIA Notification, 2006. Summary of the Environmental Impact Assessment given in Appendix-IIIA, Risk Assessment Report, Copy of Feasibility Report or Detailed Project Report or Detailed Engineering Report, certification of compliance of earlier environmental clearance conditions in case of expansion proposals and final layout plan, as the case may be, and as per the requirement contained in the EIA Notification, 2006 and/or the Form-2 enclosed here.

This issues with the approval of Competent Authority.
